PETITION TO SUPPLY EVIDENCE OF COMPLETE APPLICATION

Dear Sir:

In the Notice to File Missing Parts mailed on September 14, 2004 for the above-noted application it was indicated that Figure 8 was not submitted. Applicant hereby petitions that the page containing Figure 8 be accepted as part of the application as originally filed as it was submitted with the original paperwork. This is evidenced by a copy of the returned postcard (Exhibit A) for the filing of the above-noted application and by the utility patent application transmittal paperwork. The transmittal paperwork indicates that the submission included 17 pages of specification, 11 sheets of drawings and 1 cover page (totaling 29 pages) while the postcard evidences that 29 pages were submitted. Attached hereto please also find a copy of the 11th sheet of drawings which is Figure 8.

It is respectfully requested that this petition be granted and authorization is hereby given to charge Deposit Account No. 502123 for any petition fee. It is also requested that the petition fee be waved as the drawing was originally submitted.

If you should have any questions please do not hesitate to contact me.

Respectfully submitted,

Microfabrica Inc.
